

The Cornerstone Academy Trust – Broadclyst Community Primary School

Sports Premium Report 2017/18

Introduction:

The government is providing funding of £150 million per annum to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Headteachers to spend on improving the quality of sport and PE for their children.

The sport funding can only be spent on sport and PE provision in schools. OFSTED play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase. All schools receive a lump sum of £16,000 plus a premium of £10 per pupil per annum.

For Broadclyst Community Primary School, this meant a grant of £20,410 in the academic year 2017/18.

Reporting:

The Trustees of the Academy Trust ensure that there is an annual statement to parents on how the Primary Sport Premium Funding has been used to improve the uptake and outcomes for PE and Sport both within and beyond the school day. This task is carried out within the requirements published by the Department for Education.

It is the responsibility of the Headteacher, or a delegated member of staff, to produce regular reports that are reviewed by the Local Advisory Board and by the Trusts' Finance Committee.
