Sports Premium Report 2023/24

Review of last year's spend and key achievements (2022/23):

Activity/Action	Impact	Comments
Staff training to enable school climbing wall to be used by pupils in Years 3-6, as initially only Year 5/6 staff were trained.	Significant increase in number of pupils able to access climbing both within curriculum time and as an after-school activity.	Explore opportunities to offer bouldering activities to KS1 pupils. Further training offered as appropriate

		to ensure at least current engagement levels maintained.
Increased playground provision and establishment of zones for age-appropriate activity.	Increased range of activities on the playground has led to more pupils engaging in active playtimes in both adult- and child- led activities.	Review based on staff & pupil feedback and action training/purchase of further equipment in order to enhance these opportunities in a sustainable manner.
Broad range of seasonal after-school clubs on offer to pupils in all age groups.	At least one sport club on offer for pupils in every age group at least two days a week.	Continue to review provision of after-school clubs based on both pupil interest and staff skillsets in order to maximise uptake and quality of club delivery.
Deliver a broad range of activities through weekly Games sessions to enable pupils to experience a range of sports.	All pupils in Y1-6 to participate in at least 6 different activities during the year as part of their Games sessions (in addition to PE lessons).	Y1/2 & Y5/6 Games reviewed for 22/23; Y3/4 Games reviewed September 2023.

Key achievements 2023-24:

Activity/Action	Impact	Comments
Expansion of squads to include all pupils wanting to join in Years 5 & 6.	Instead of being selected by ability, all pupils who want to join are able to participate in regular squad sessions in Football, Tag Rugby, Table Tennis and Netball. This feeds into increased competitive opportunities (see below).	Review squad uptake for 24/25. Identify staff most appropriate to lead squads based upon their knowledge/expertise to help enthuse pupils and allow them to develop further.
Introduction of regular programme of intra- and inter-school competition. Fixtures held weekly for both Year 5 & 6 pupils.	A greater percentage of pupils in these years were able to play competitive sport and represent their school than in previous years. Greater focus on intra-school competition to prepare pupils for inter-school competition.	Review programme and adapt based on pupil/staff feedback to further increase benefit for pupils. Aim to expand programme further and introduce opportunities for other years, starting with Y3/4 initially.

Phased introduction of Sport Leaders to support with lunchtime activities for all years.	Pupils responded really well to support from their older peers and would follow instructions throughout with little adult support required. Both leaders and participants showed a willingness for this to continue.	Initially supported at Sports Day this year before phased introduction in September 2024. Training and support for pupils involved to be provided by PE team initially.
Individual and team pupil success in local area and trust-wide events.	A number of sports has taken on increased stature in the school with the team's achievements showcased through assemblies, social media and school newsletters. Shown by an increased number of pupils wanting to play the sport through all aspects of school delivery.	Pupils have indicated a desire for mixed Athletics and Cricket squads to be established in the Summer term and will be explored for 24/25.

Swimming Data:

Meeting National Curriculum requirements for swimming and water safety

Question	Stats	Further context (Relative to local challenges)
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	70%	100% of children who attended catch-up sessions when offered achieved 25m.

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	52%	Increase of 24% from previous cohort.
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	31%	100% of children who attended catch-up sessions when offered achieved this. Some pupils completed Kayaking Go Paddle start award
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?		Catch-up sessions offered to all Y6 pupils who hadn't achieved 25m in 2022/23.
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes
